Dear Mr. Beaudoin:

This has reference to your letter dated June 3, 1981 addressed to Inspector Chiarot and concerning Mr. Lee Harvey Oswald. Inspector Chiarot is no longer in this Branch and therefore I am replying on his behalf.

Although we do have a file on Lee Harvey Oswald, the information remains in the category of "classified" and consequently is not available to the public at this time.

With respect to Marina Oswald and Mr. George De Mohrenschildt, we have no record of these persons.

I regret that we cannot be of further assistance in this matter.

Yours truly,

G. Timko, Inspector
Officer in Charge
